FLOOR DEBATE

March 13, 2002 LB 1003

SENATOR BEUTLER: Mr. Clerk, I assume what is being offered is what was formerly a part of AM3107 beginning, line 27, page 3, through line 17, page 4, is that correct?

CLERK: It's part of what was AM3107, Senator. It's the part that begins on page 2 of the committee amendments, strike lines 4 through 20, and insert, "If there is reasonable cause to believe that any wildlife that is diseased,..." et cetera, et cetera, et cetera. It was...it was...

SENATOR BEUTLER: Yes.

CLERK: Right?

SENATOR BEUTLER: Okay.

CLERK: Okay.

SENATOR BEUTLER: Senator Dierks, members of the Legislature, the part that we're dealing with right now is actually a modified version of Senator Dierks' original amendment relating to the captive wildlife issue, and I believe that, as I understand it, it is...has been approved by Senator Dierks. So with that, I'm, since it's, basically, his material, I'm going to yield my time to Senator Dierks to advocate for his, essentially his amendment..

SPEAKER KRISTENSEN: Senator Dierks.

SENATOR DIERKS: Thank you, Mr. Speaker, and Senator Beutler. I think, too, that I have approved of it, but I'm not really sure where we are right now. Is this...is this the original language that was in your amendment that we just...that we had divided into three places? And so it was the middle part of that division, right? Yeah, I...that's fine with me. We've...that's, I think, pretty much the same language I had in the amendment that I just mentioned that was taken off and put over on Select File. So I think that's...I think that's correct, and so that's the amendment.
